Members of the Common Council  
City of Somerset  
Somerset Kentucky

Dear Council Members:

I appreciate your involvement and your attendance at our budget meeting to finalize the 2004-2005 budget for the City of Somerset.

The department managers have submitted their requests for the upcoming year and the budget draft reflects the items which we feel we can fund in the next fiscal year.

*This budget will be the largest total dollar budget every presented for the City of Somerset. There are several large projects which are either starting or continuing into the next year. Some of these projects are funded with grants, and some are being done either with borrowed funds or savings of the City. These projects reflect just how our city is continuing to grow and prosper.*

Thanks again for your continued help and support for the City of Somerset and all of our future endeavors.

Sincerely,

J P Wiles, Mayor  
City of Somerset
